Follow these steps for any sample collected for CDI testing in your facility:

1. Sample consistency
   - Unformed conforms to shape of container
   - Formed
     - **DO NOT TEST**

2. CDI culture/assay results from your facility or received from a clinic or ED visit
   - Positive
   - Negative

3. Positive result from the same resident in the previous 2 weeks (<15 days)?
   - Yes
     - Duplicate
     - Do not report as NHSN LabID Event
   - No
     - Non-duplicate
     - **Report** as CDI LabID Event

4. Report into NHSN?
   - Do not report as NHSN LabID Event
   - Report as NHSN LabID Event
